

American-Lincoln®

The Power Behind Clean

SC7740 Rider Sweeper/Scrubber

Powerful Cleaning Capabilities No Longer Cost a Bundle

Extra features can end up costing you a bundle - but that's not the case with the SC7740 rider sweeper/scrubber. American-Lincoln® brings you the extra powerful features and benefits that you would expect in a large piece of cleaning equipment for less money. Want more value for your dollars? Take a look at the SC7740.

One-Pass Cleaning Benefits Include:

- Independent sweeping and dust control allow you the flexibility to sweep, scrub, or do both at the same time
- Powerful hydraulic brush drive motors and increased downward pressure for aggressive scrubbing give you the cleanest floor possible
- Largest solution and recovery tanks for this size machine provide more cleaning for your money

Ergonomic Design Features Include:

- Compact size and power steering for maximum maneuverability and productivity
- Brooms and brushes that raise and lower at the flick of a switch
- Simple drain and clean-out system for increased productivity

A tilt steering wheel and reliable rocker switches make the controls in the operator's compartment easy to use.

Double-scrub brush design for disk scrubbing offers the most aggressive cleaning action possible.

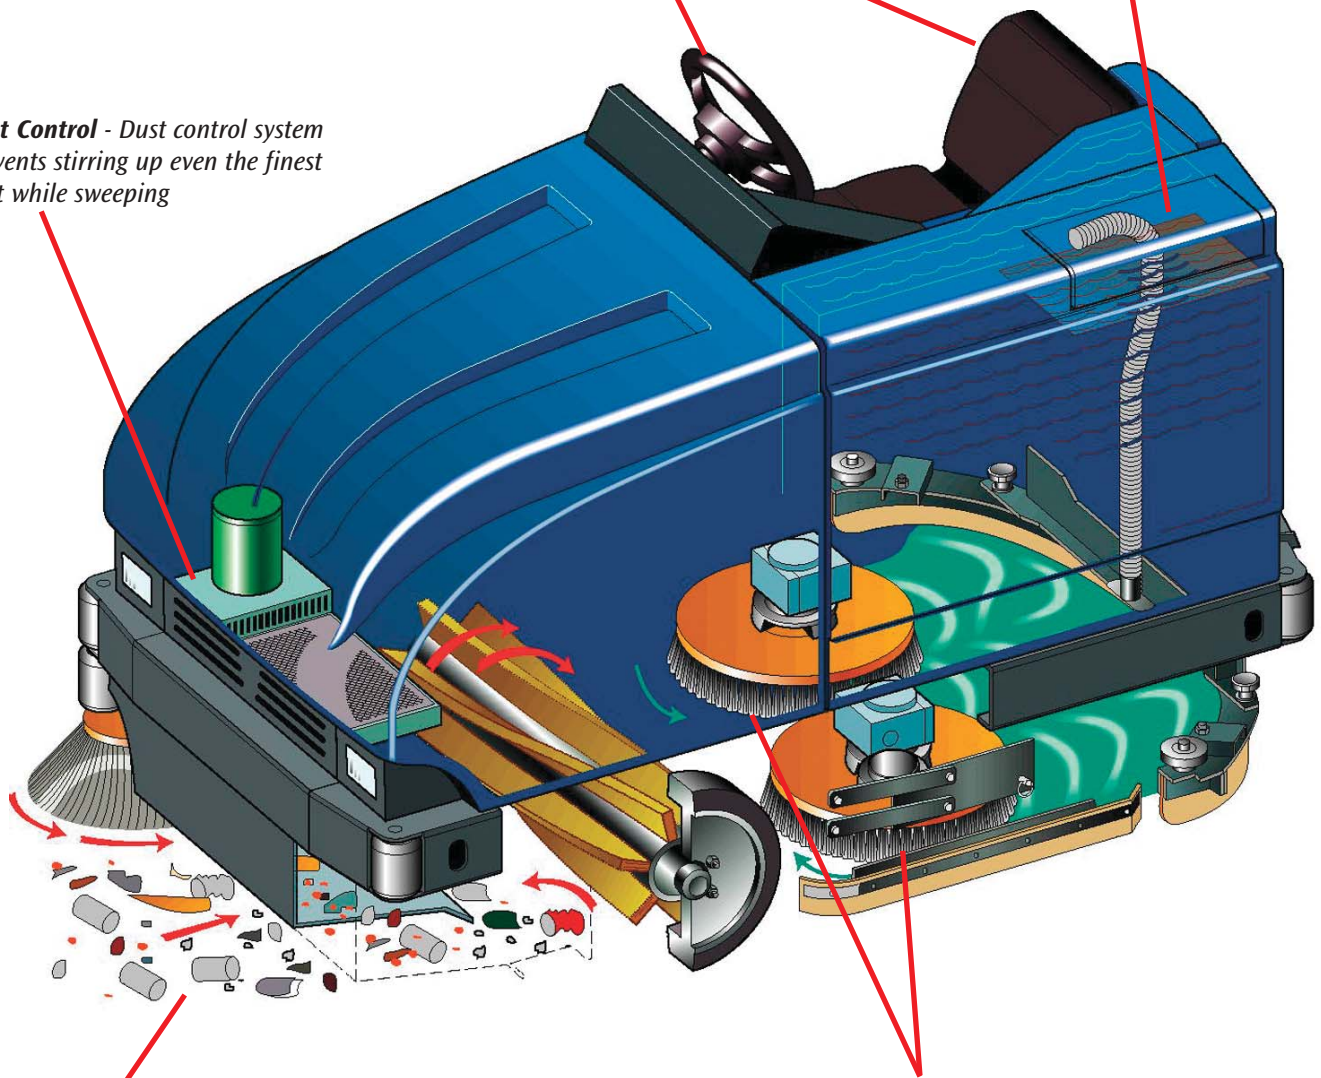

A powerful, yet quiet, liquid-cooled engine teams up with a load-sensing main pump to increase the overall operating life of the system.

Deeply padded seat and power steering in operator's compartment provide top-of-the-line comfort

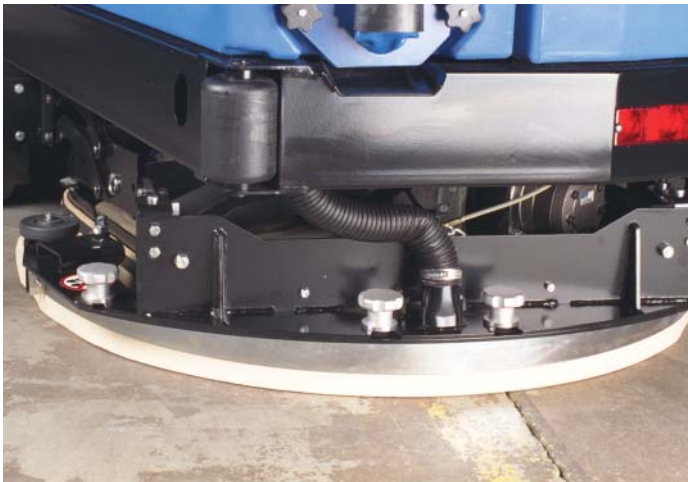

Large corrosion-proof, impact-resistant Polydur® solution and recovery tanks have a warranty for the life of the machine

Dust Control - Dust control system prevents stirring up even the finest dust while sweeping

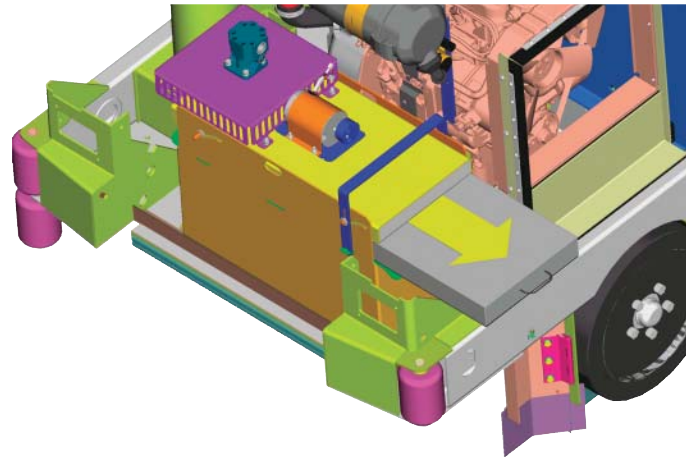

Independent sweeping system in front picks up dirt and debris before scrubbing

Bristle type selection that meets your cleaning needs

Accu-Track™ squeegee provides superior water pickup even in the tightest of turns.

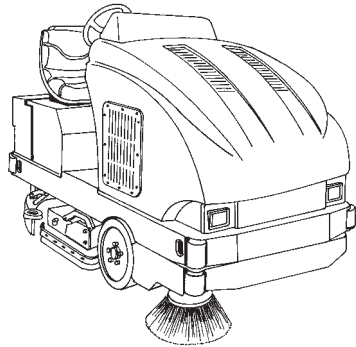

Dust control provides dust-free sweeping before the debris enters the scrubbing area. Slide out filter can be changed in less than 1 minute using no tools.

SC7740

Rider Sweeper/Scrubber

American-Lincoln®

The Power Behind Clean

KEY FEATURES

- Two machines in one - sweeper and scrubber to meet your cleaning needs
- Efficient dust control system provides dust-free sweeping
- Water pick-up even in the tightest turns
- Complete hydraulic operation for durability and reliability
- Powerful Kubota engine - a name you can count on

SPECIFICATIONS

Scrub Path	40 in. (101 cm) or 46 in. (117 cm)
Sweep Path	46 in. 117 cm)
Solution Tank	60 gal. (227 l)
Recovery Tank	78 gal. (295 l) with 18 gal. (78 l) demisting chamber
Vacuum Fan	Hydraulically driven, high volume turbine
Hopper Capacity	2.5 cu ft. (71 l)
Brush Drive Motors	High torque, hydraulically driven
Engine	31 hp Kubota
Aisle Turn Radius	87 in. (221 cm)
Dimensions L x W x H	87 x 46 x 59 in. (221 x 116.8 x 150 cm)
Weight	2,425 lbs. (1,091 kg)

WHO USES THIS MACHINE?

- Manufacturing plants
- Dry goods warehouses
- Food warehouses
- Beverage plants
- Automotive parts warehouses

WHAT DOES IT DO BEST?

- Scrubs aggressively
- Maneuvers well into tight, confined areas
- Reduces operator fatigue with ergonomic operator's compartment
- Provides more productivity and less downtime because of low maintenance

WHAT ENHANCES ITS PRODUCTIVITY?

- Hydraulic drive and power steering system
- Large solution/recovery tanks to stay on the floor longer between cleanups
- One-pass sweeping and scrubbing
- Solution and brushes turn off when machine is not moving

WHAT ADDS TO ITS DURABILITY?

- Heavy gauge welded steel chassis
- Corrosion-proof Polydur® solution/recovery tanks
- Heavy-duty hydraulic system backed by three-year warranty
- Accu-Track™ break-away squeegee
- Durable corner roller bumpers for side protection

WHAT ARE THE SAFETY FEATURES?

- Rack and pinion steering for better handling
- Hopper safety arm
- Excellent line-of-sight from operator's compartment
